

DATA PROTECTION NOTICE

1. Definitions: Personal data means any information relating to an identified or identifiable natural person (hereinafter "Data Subject"). **Identifiable** is a natural person who can be identified directly or indirectly, in particular by assigning an identifier such as a name, an identification number, location data, an online identification or one or more special features that express the physical, physiological, genetic, psychological, economic, cultural or social identity of this natural person. **Processing** means any operation carried out with or without the aid of automated procedures or any such series of operations in connection with personal data, such as the collection, collection, organisation, arrangement, storage, adaptation or modification, reading, querying, use, disclosure by transmission, dissemination or any other form of provision, reconciliation or linking, restriction, deletion or destruction. **Controller** is the natural or legal person, authority, institution or other body which alone or together with others decides on the purposes and means of processing personal data. The **Data Subject** is the employee or contractor as defined in the Main Agreement. **The Main Agreement** is the agreement between the controller and the data subject with regard to the services provided by the data subject as part of the production. **Production** is the audiovisual production defined in the Main Agreement. **Consent** means any freely given, specific, informed and unambiguous indication of the data subject's wishes by which he or she, by a statement or by a clear affirmative action, signifies agreement to the processing of personal data relating to him or her.

2. Controller: The Producer

3. Processing: In the context of the production, the Producer collects and process personal data provided to us by the Data Subject, namely his/her contact and address information, payment information, health insurance information, other insurance information, tax information, film and photo material depicting him/her, production documents and other production-related correspondence relating to him/her.

4. Purpose of Processing is the fulfilment of the Main Agreement as well as the execution and exploitation of the Production.

5. Legal Basis for Processing: (a) The Data Subject's consent in the Main Agreement within the meaning of art. 6(1)(a) GDPR; and/or (b) the necessity for the performance of the Main Agreement within the meaning of art. 6(1)(b) GDPR; and/or (c) the fulfilment of legal obligations within the meaning of art. 6(1)(c) GDPR; and/or (d) or the legitimate interests of the controller within the meaning of art. 6(1)(f) GDPR. The legitimate interests result from the execution of the Main Agreement as well as from carrying out and exploiting the production. The Producer receives the data from the Data Subject (including the devices he/she uses).

6. Recipients of Data: Service providers employed for the Production, including insurance companies; group companies of the Controller as well as affiliated companies; licensees; any other production companies involved in the production and their licensees. Data will only be transferred to third parties within the legally permissible framework and to the extent necessary for carrying out the production. There is a data transfer to third countries outside the European Union on the basis of contractual regulations as stipulated by law, which shall an adequate level of protection of the Data Subject's data and which the Data Subject can view on request.

7. Storage Period: The Producer only stores the Data Subject's personal data for as long as necessary to achieve the processing purpose, or as long as the storage is subject to a statutory retention period, and if the Data Subject has consented to the processing until he/she revokes his/her consent; if the Producer requires the data for the execution of a contract only as long as the contractual relationship with the Data Subject exists or for the duration of any statutory retention periods, if the Producer uses the data on the basis of a legitimate interest until the Data Subject's interest in the deletion or anonymisation overrides the Producer's.

8. The Data Subject's Rights: The Data Subject has the right to a) request information about the processing of his/her data, b) receive a copy of his/her personal data, c) correct his/her data. Should his/her personal data be incomplete, he/she has the right, taking into account the processing purposes, to complete the data, to have his/her data deleted or blocked, to have the processing restricted, to object to the processing of his/her data, to revoke his/her consent to the processing of his/her data for the future and to complain to the competent supervisory authority about unauthorised data processing.

Unless expressly stated in the survey, the provision of data is not required or obligatory. Such an obligation may result from legal requirements or contractual regulations.
